WAYNESBORO, VA – August 7, 2017 – Lumos Networks Corp. (“Lumos Networks”, “Lumos” or the “Company”) (Nasdaq: LMOS), a leading fiber-based service provider in the Mid-Atlantic region, today announced its results for the second quarter of 2017.

Total revenue for the second quarter of 2017 was \$56.4 million, up over 7% from the prior year period. The Company generated operating income of \$9.0 million for the three months ended June 30, 2017, down from \$9.7 million in the prior year period. Net income attributable to Lumos Networks Corp. was \$0.5 million, or \$0.02 per diluted share, for the second quarter of 2017, compared to net income of approximately \$1.2 million, or \$0.05 per diluted share in the prior year period. Total Adjusted EBITDA for the second quarter was \$25.5 million, up over 7% from the prior year period.

On February 18, 2017, the Company announced that it had entered into a definitive agreement to be acquired by EQT Infrastructure for \$18.00 per share in an all-cash transaction, resulting in an enterprise value of approximately \$950 million. Shareholder approval of the transaction was received on May 24, 2017.

The Company is awaiting approvals from one additional state and from the FCC and now expects the transaction to close in the next 90 days.

About Lumos Networks

Lumos Networks is a leading fiber-based service provider in the Mid-Atlantic region serving Carrier, Enterprise and Data Center customers, offering end-to-end connectivity in 26 markets in Virginia, West Virginia, North Carolina, Pennsylvania, Maryland, Ohio and Kentucky. With a fiber network of 10,983 fiber route miles and 515,362 total fiber strand miles, Lumos Networks connects 1,307 unique Fiber to the Cell sites, 1,672 total FTTC connections, 2,171 on-net buildings and approximately 3,500 total on-net locations. The Company also connects 43 total data centers, including five data centers acquired from DC74, two acquired from Clarity Communications and seven company owned co-location facilities. In 2016, Lumos Networks generated over \$123 million in Data revenue over our fiber network. Detailed information about Lumos Networks is available at www.lumosnetworks.com.

Non-GAAP Measures

Contribution Margin is net income or loss attributable to Lumos Networks Corp. before interest, income taxes, depreciation and amortization, accretion of asset retirement obligations, net income attributable to noncontrolling interests, other (income) expenses, net, restructuring charges, changes in the fair value of contingent consideration obligations, corporate general and administrative expenses, including equity-based compensation, acquisition and merger related charges, and amortization of actuarial gains or losses, and indirect operating expenses. Contribution Margin ratio is calculated as the ratio of Contribution Margin, as defined, to operating revenues.

Adjusted EBITDA is net income or loss attributable to Lumos Networks Corp. before interest, income taxes, depreciation and amortization and accretion of asset retirement obligations, net income attributable to noncontrolling interests, other (income) expenses, net, equity-based compensation, amortization of actuarial losses, restructuring charges, acquisition and merger related charges and changes in fair value of contingent consideration obligations. Adjusted EBITDA margin is calculated as the ratio of Adjusted EBITDA, as defined, to operating revenues.

Contribution Margin, Contribution Margin Ratio, Adjusted EBITDA and Adjusted EBITDA Margin are non-GAAP financial performance measures. They should not be considered in isolation or as an alternative to measures determined in accordance with GAAP. Please refer to the schedules herein and our SEC filings for a reconciliation of these non-GAAP financial performance measures to the most comparable measures reported in accordance with GAAP and for a discussion of the presentation, comparability and use of such financial performance measures.

SPECIAL NOTE FROM THE COMPANY REGARDING FORWARD-LOOKING STATEMENTS

Any statements contained in this presentation that are not statements of historical fact, including statements about our beliefs and expectations, are forward-looking statements and should be evaluated as such. The words “anticipates,” “believes,” “expects,” “intends,” “plans,” “estimates,” “targets,” “projects,” “should,” “may,” “will” and similar words and expressions are intended to identify forward-looking statements. Such forward-looking statements reflect, among other things, our current expectations, plans and strategies, and anticipated financial results, all of which are subject to known and unknown risks, uncertainties and factors that may cause our actual results to differ materially from those expressed or implied by these forward-looking statements.

Many of these risks are beyond our ability to control or predict. Because of these risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements. Furthermore, forward-looking statements speak only as of the date they are made. We do not undertake any obligation to update or review any forward-looking information, whether as a result of new information, future events or otherwise. Important factors with respect to any such forward-looking statements, including certain risks and uncertainties that could cause actual results to differ from those contained in the forward-looking statements, include, but are not limited to: the successful closing of the announced EQT Merger, including obtaining the requisite regulatory and governmental approvals and satisfying other closing conditions; the risk that required governmental and regulatory approvals may delay the Merger or result in the imposition of conditions that could cause the parties to abandon the Merger or materially impact the financial benefits of the Merger; the timing to consummate the proposed Merger; any disruption from the proposed Merger making it more difficult to maintain relationships with customers, employees or suppliers; the diversion of management time on Merger-related issues; the Merger may involve unexpected costs, liabilities or delays; the outcome of any legal proceedings related to the Merger, the failure by EQT Infrastructure to obtain the necessary financing arrangement set forth in commitment letters received in connection with the Merger; the impact of our previous acquisitions of Clarity and DC74 on our operations; rapid development and intense competition with resulting pricing pressure in the telecommunications and high speed data transport industry; our ability to grow our data business on an organic or inorganic basis in order to offset expected revenue declines in legacy voice and access products; our ability to obtain new carrier contracts or expand services under existing carrier contracts at competitive pricing levels to offset churn and achieve revenue growth from our carrier businesses; our ability to separate our legacy business on a timely basis; our ability to effectively allocate capital and timely implement network expansion plans necessary to accommodate organic growth initiatives; our ability to complete customer installations in a timely manner; adverse economic conditions; operating and financial restrictions imposed by our senior credit facility and our unsecured debt obligations; our cash and capital requirements; our ability to maintain and enhance our network; the potential to experience a high rate of customer turnover; federal and state regulatory fees, requirements and developments; our reliance on certain suppliers and vendors; and other unforeseen difficulties that may occur. These risks and uncertainties are not intended to represent a complete list of all risks and uncertainties inherent in our business, and should be read in conjunction with the more detailed cautionary statements and risk factors included in our SEC filings, including our Quarterly Report on Form 10-Q for the quarter ended March 31, 2017 and our Annual Report on Form 10-K for the year ended December 31, 2016.
